not to conflict with Miss Browne's read- with its harsh contrasts and its unmodiings in Library Hall.

### OBITUARY.

character of her illness was not generally hand of an artist that touched the strings.

although she was singularly modest and in his native tongue he prayed the beautiretiring in her disposition, she became ful lady, for heaven's sweet sake, to drop actively interested in the old church with a coin to him. which she was connected, and also in its And the beautiful lady not only

Her death makes a vacancy in a circle addressed from the opening window in of devoted friends, while the loss to her heavenly words to cheer his homesick Cor. Midland and Maolis Avenues, family excites the sincere sympathy of all who had the pleasure of her acquaint-ance.

The Dreamer would like to paint that picture, also, if he could!

### The Breamer by Daylight

[FOR THE BLOOMPIELD CITIZEN.]

AS TO WANDERING MUSICIANS.

When spring returns then returns the organ-grinder. What became of him and of the mangy little old-mannish monkey who goes with him, the Dreamer has never dared to imagine. Doubtless, he thing of unusually good quality. has hibernated, with his small companion, among rags and dirt, in one of the foreign quarters of the metropolis, where they His organ has been furbished his enterprise. up, and supplied with a new reel or two, and the crank moves with all its usual

church, has organized a gentlemen's Bible class, of which class he is the teacher, in connection with the Sabbath school.

Sunday School Teachers' Association.

A meeting of this Association was held on Wednesday evening at the Park fine audience, and fine exercises all combined to make the gathering one of unusual interest. "How to Teach," was practically and ably shown by Rev. Wm. H. Brodhead of Newsek in his jeaching. The sunday send and the crank moves with all its usual fluency and grace!

What muscle of the arm can it be that is developed by this perpetual motion of the organ-handle? The brown-faced, hard-featured Italian might say with Mr. Mantalini, "I am always grinding. I am perpetually grinding—my life is one dem'd horrid grind!" And this ought to dem'd horrid grind!" And this ought to of work at it with a rhythmic motion which spins out the air from "Patience" at the same rate with the "Sweet By and By," and the scrap from the old opera.

I would rather be right than be President.—Henry Clay.

Speaking against time has become one of the fine arts.—Charles Sumner.

The proper motives to religion are the proper proofs of it.—Bishop Butler.

There is nothing so strong or safe in any emergency of life as the simple truth.—Dickens.

The truer we become, the more unerringly we know the ring of truth.—F. W. Robertson.

What is sadder in our reflection, and from the old opera.

from the old opera. Why don't some one tell us the geneof the Lesson for the following Sabbath. alogy of the barrel organ? It must be be scious farewells!—George Eliot. The time occupied on the Lesson was cause it has in it a mysterious popular about forty minutes, and the thoughts element, that it shares with the footsuggested were both practical and spiritual. Among the many helpful points, we note the following:

| Among the many helpful points, we note the following: | The third is the following instrument such a universal distribution. But why should it harmony the soul, as it does, to hear a Strauss waltz on that same cabinet-organ, and equally to have an example of Wagner's "music of the future" on the other? The on Saturday, 28th inst, at 2 o'clock.

mournfully soliloquizes.

The pathos of the barrel-organ is nothing after all to be compared with that of the "little German band." It has been either more or less than a month since through these rural ways of our own valis suggestive.

The object and effect of miracle: To call attention to Christ.

Dorcas—her death, and the heartfelt sorrow occasioned: Would we be so The integral these rural ways of our own valley of peace, came strange foreigners, with stranger instruments playing the stranger opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my opposite Post Office, on or about May 1, where I wish to see all my op missed, so lamented, if we were dead?

The Practical Lesson was: Serve Jesus

just where you are. And the Searching
Question: What are we doing for Christ?

At the close of Lesson to the serve Jesus

Their clothes were old and worn; their faces were brown with the sun. Each for himself, but all together, that singular melody was played. And it put salt into the blood, and in its outlandish shrill-less and sharpness and wild reiter the server. At the close of Lesson Rev. Mr. Lowry expressed the thanks of the meeting to Mr. Brodhead in a few well-chosen words.

The blood, and in its obtaineds shrill-ness and sharpness, and wild reiteration, it aroused the sluggish soul as do the strains of the bag-pipes. And all that the Improved farms near Somerville, N. J.

Dreamer now regrets is that he did not meeting to the strains of the bag-pipes. The blood, and in its obtaineds shrill-ness and sharpness, and wild reiteration, it aroused the sluggish soul as do the strains of the bag-pipes. And all that the limit is obtained in a few well-chosen words. The matter of organizing a Normal lounge up to the fence and lean luxuriously over it, and be ready with his quar-

Duffield, Russell, and others. A vote Wherefore, beloved, it becometh us to taken by show of hands demonstrated remember much that we might forget, and conclusively that the movement met the to be free from harshness towards these conclusively that the movement met the apparently useless people, who "enjoy where one other girl (a German) is kept. A compressive their earnest support. On mo-chispa's musicians in the Spanish Stuard fair wages. Address Box 227, Bloomfield.

mittee of the Association.

Mr. Bredhead having kindly consented to meet with our teachers again, the offer was gladly accepted, and another the air was wet. There, on the curb stone, paced the piper—a Scotch lad with a ruddy face, and a look about him as of the "land o" cakes." And he had skirled fer was gladly accepted, and another meeting appointed for Wednesday evening of next week, at the Baptist Church.

Mr. Brodhead will then teach the lesson for Mr. Brodhead will the following Sabbath, and a report will probably be handed in from the committee in regard to organization of the Noree in regard to organization of the Nornal Class.

The Seminary Lectures.

The German Theological Seminary has

The German Theological Seminary has bressing in and the vision disappeared! taken a new departure during the past season in the matter of lectures. It is understood to be the plan of the Faculty to have a course of lectures each term, adapted to the curriculum of instruction in the Seminary, but open to the public whenever the topics will prove of general interest.

-aye, until the hard realities of life came pressing in, and the vision disappeared!

Thus with unvitiated voice Music, the heavenly maid, though keen in tone, and every trace of lead; most highly contaminated and every trace of lead; most highly contaminated and dangerous waters are rendered pure and harmless by this Filter. Endorsed by the highest medical and chemical authorities. terest.

This will be a good opportunity for our young people—and older people, too—to to bless the world!

Alas, the Dreamer could wield neither brush nor pencil to send the picture out to bless the world!

highest medical and chemi brush nor pencil to send the picture out to bless the world!

combine pleasure with profit. Dr. Craven's second lecture upon the Great Pyramid, postponed by a family bereavement, was delivered last evening. Next week, com

398 BOWERY, NEW YORK, mencing May 2, and continuing mainly on nowadays for the Troubadour and Min-Wednesday evenings, the summer course nesinger. The monkey's red jacket alone will begin. The lectures, six in number, reminds us of the jester with his bauble will be upon the more racy and humor- and his tinkling bells. Music has gone to ous side of English and American litera- college and has graduated in cap and ature, and will be given by Rev. S. W. gown. The vast orchestral sweep of noble Duffield. The list embraces the English symphonics belittles the poor, tramping humorists, Dickens, Kingsley, Irving, peasant—the gypsy of the highways of Holmes, and the American dialect huharmonious sound. Be merciful, my masters, and suffer this too to share in The tickets will be \$1.00 for the course and 25 cents for single admission. The lecture on Dickens will possibly be changed from May 9 to May 8, in order low color to our fire-new finery of to-day,

The Dreamer, dreaming one spring day in a lady's bouldoir, heard the notes of a harp, cleverly struck on the pavement Mrs. Lavinia B. Frissell, the wife of beneath. The window was raised, and Rev. A. C. Frissell, died at her residence on Broad Street, on Wednesday, the 18th inst.

Her death, though not unexpected, will be a surprise to many, for the serious character of her illness was not serious. The window was raised, and there, ten feet below, was the little Piccolo—the apple-faced mannikin from the Roman shores. And he went on twangling his harp—poor little servitor of some unknown padrone! And truly, it was the CUT FLOWERS, Mrs. Frissell had been a resident of sad grace off went his little cap as the Bloomfield for about fifteen years, and, window opened. He had no English, but

Sunday school work.

She leaves, besides her husband, three children: A. S. Frissell, Esq., of New York City, Rev. H. B. Frissell, the chaplain at Hampton Institute near Fortress Monroe, and a daughter who resided at home.

Her death makes a vecency in a circle addressed from the carding window in

THE CITIZEN to make a paper which shall find its way into every home in Bloomfield where a live local newspaper will be welcome.

It is worth something to every business man in town to let the people know what he is doing and what he has to sell. It will pay you to advertise your business in THE CITIZEN, and not only your business, but also special notice of any-
